

**DISCOVER THE REVOLUTION IN SPORTS**

**Ga&Lu**  
Sport Systems LLC

Lack of emotional structure can be a significant obstacle that compromises the performance of professional athletes on their path to success.

# Transforming the sports mindset

We are a leading company, legally recognized as the representative of Patent No. 8,241,152, created by Physical Educator Rafael Cirne Lima.

Based on proven principles of sports psychology, we have developed the first mental tool, created by professional coaches, to maximize athletes' sports performance.

**Recognize**  
**Resolve**  
**Reinforce**

We provide athletes with a set of dynamic tools that empower them to **identify** the factors limiting their performance, positively **reinforce** winning behaviors, and unleash the powerful connection between mind and body, aiming to reach the next level in competitive sports.

**Maintaining  
focus and  
achieving  
optimal  
performance**

With a clean design and based on proven principles of sports psychology, our products are ideal for athletes of all levels.

Our PowerMind Kit is a set of positive visual reinforcement tools that will act as constant reminders, providing benefits both on and off the field or court.

Discover  
the key to  
success with  
our unique  
approach

For over a decade, we have been committed to assisting athletes in developing positive habits and enhancing their sports performance. Initially focused on tennis, we understand that the mental dimension accounts for 95% of the battle, as evidenced by globally renowned researchers. Today, we are proud to have expanded our expertise to various sports and situations where focus is essential.

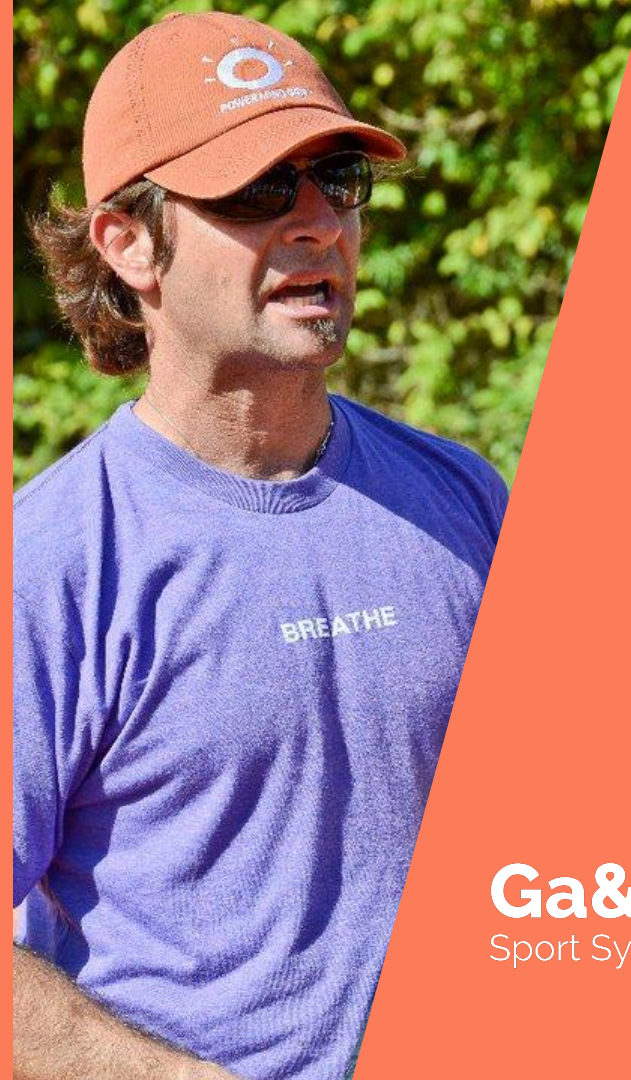

**Mentoring to  
reach the  
pinnacle of  
athletic and  
mental  
potential.**
